Mr. William Reid

St. Paul 11, Minn.

Dear Sir:

At the time that you renewed your agreement with the City of St. Paul for hauling waste materials from outside the city limits of St. Paul into the St. Paul landfills, you were notified that as of December 31, 1963, all such agreements would terminate, and there would be no renewals. I felt that in fairness to you I would give you a full year in which to find a means of disposing of such materials or to change your routes to eliminate the collection from areas outside of the city limits of St. Paul.

The reason for this letter is to refresh your memory on this fact. As I explained to you earlier, the landfills in the City of St. Paul are filling at such a rapid rate that it has become absolutely necessary to eliminate all materials except the waste materials from the residents of the City of St. Paul only. As there are only two short months remaining in the year of 1963, I felt that this was a proper time to again bring to your attention the fact that these agreements definitely will not be renewed, and that we are prepared to screen all material coming into our landfills very carefully after the first of the year to be certain that nothing comes in from outside of the city limits of St. Paul.

I hope that you have made some arrangements for disposing of your waste material from outside the city limits so that our action will not create a great hardship upon you or your business.

Yours very truly,

Clyde A. Tester  
Supt. of Sanitation

Dear Don:

As you may have heard, we are discontinuing all contracts and agreements with rubbish haulers which permit them to dispose of material collected outside of the city limits on our Pig's Eye Landfill. Your agreement terminates on March 31, 1963. However, if you would stop at the office and see me at your convenience, we could possibly arrange for an agreement that would carry you through the end of 1963.

Yours very truly,

Clyde A. Tester

Mr. Donald Krupenny  
705 Dayton Ave.  
St. Paul 4, Minn.

Dear Don:

In a letter to you on February 8, 1963, I stated that our contracts and agreements with rubbish haulers permitting them to dispose of materials collected outside of the city limits on our Pig's Eye Landfill would be terminated this year.

I suggested that you stop at the office and make possible arrangements for an agreement that would carry you through the present year.

As you know, your present contract terminates on March 31, 1963, and it will be impossible to allow you to haul material from outside the city into our landfill after that date. I would suggest that if you plan to continue this practice, you stop at the office and see me as soon as possible.

Yours very truly,

Clyde A. Tester  
Supt. of Sanitation
